

CAMP NOAH – 2021

Kids have had uncertainty in their lives this past year in the midst of a pandemic. Camp Noah is a unique educational experience nurturing skill for life: coping with stress, healing from loss, restoring hope. We will play games, do crafts, share stories, celebrate campers, eat good food, restore relationships, and be community in a Covid-safe, outdoor setting with professional leaders.

August 2-6, 2021, 9a-3p daily
